

Kentucky Literacy Intervention Project (KLIP) 6th-12th Critical Fact Sheet 04/14/17

A Publication of the Office of Teaching and Learning

Overview/Background:

The Kentucky Literacy Intervention Project (KLIP) 6th-12th is designed as a program aimed specifically at addressing the needs of secondary staff in offering quality literacy instruction in Tiers 1, 2, 3, and special education settings. This program will equip administrators and teachers with the basic tools needed to address the primary issues as they relate to the main components of reading.

Critical Points:

- The model for KLIP is based on the following critical components:
 - What is RtI?
 - RtI Evidence Based Strategies
 - Schoolwide Implementation of the RtI model
 - Foundations of Reading & Vocabulary
 - Foundations of Writing
 - Teaching Grammar in Context
 - How to analyze data gathered through the RtI process
- KLIP is designed for schoolwide implementation.
- The school may have as many as five representatives from each school attend the training, however, each school must have at least one each of the following attend the training:
 - Administrator (School or District)
 - Special Education Teacher
 - Content Area Teacher
- Offered free of charge to schools and districts throughout the Commonwealth.
- 2017 is a pilot year with plans for expansion in 2018.
